M.B.P.A. MISSION STATEMENT:

The mission of this
association is to bring local
businesses together to
promote, support and network
with each other. Through
meetings and social
gatherings, we, the members,
will get to know one another
and work together to educate
the residents of our
community on the endless
possibilities for dining,
shopping and services
available at their back doors.
We will continue to support
the beautification project
whenever possible to keep
our community looking like an
elite premier community. The
association will raise funds
from the yearly dues and
fundraisers to bring in
speakers that will educate and
motivate us and also to take
on new projects that will
benefit the businesses and
community where we work
and live.
